AFRICAN QUEEN

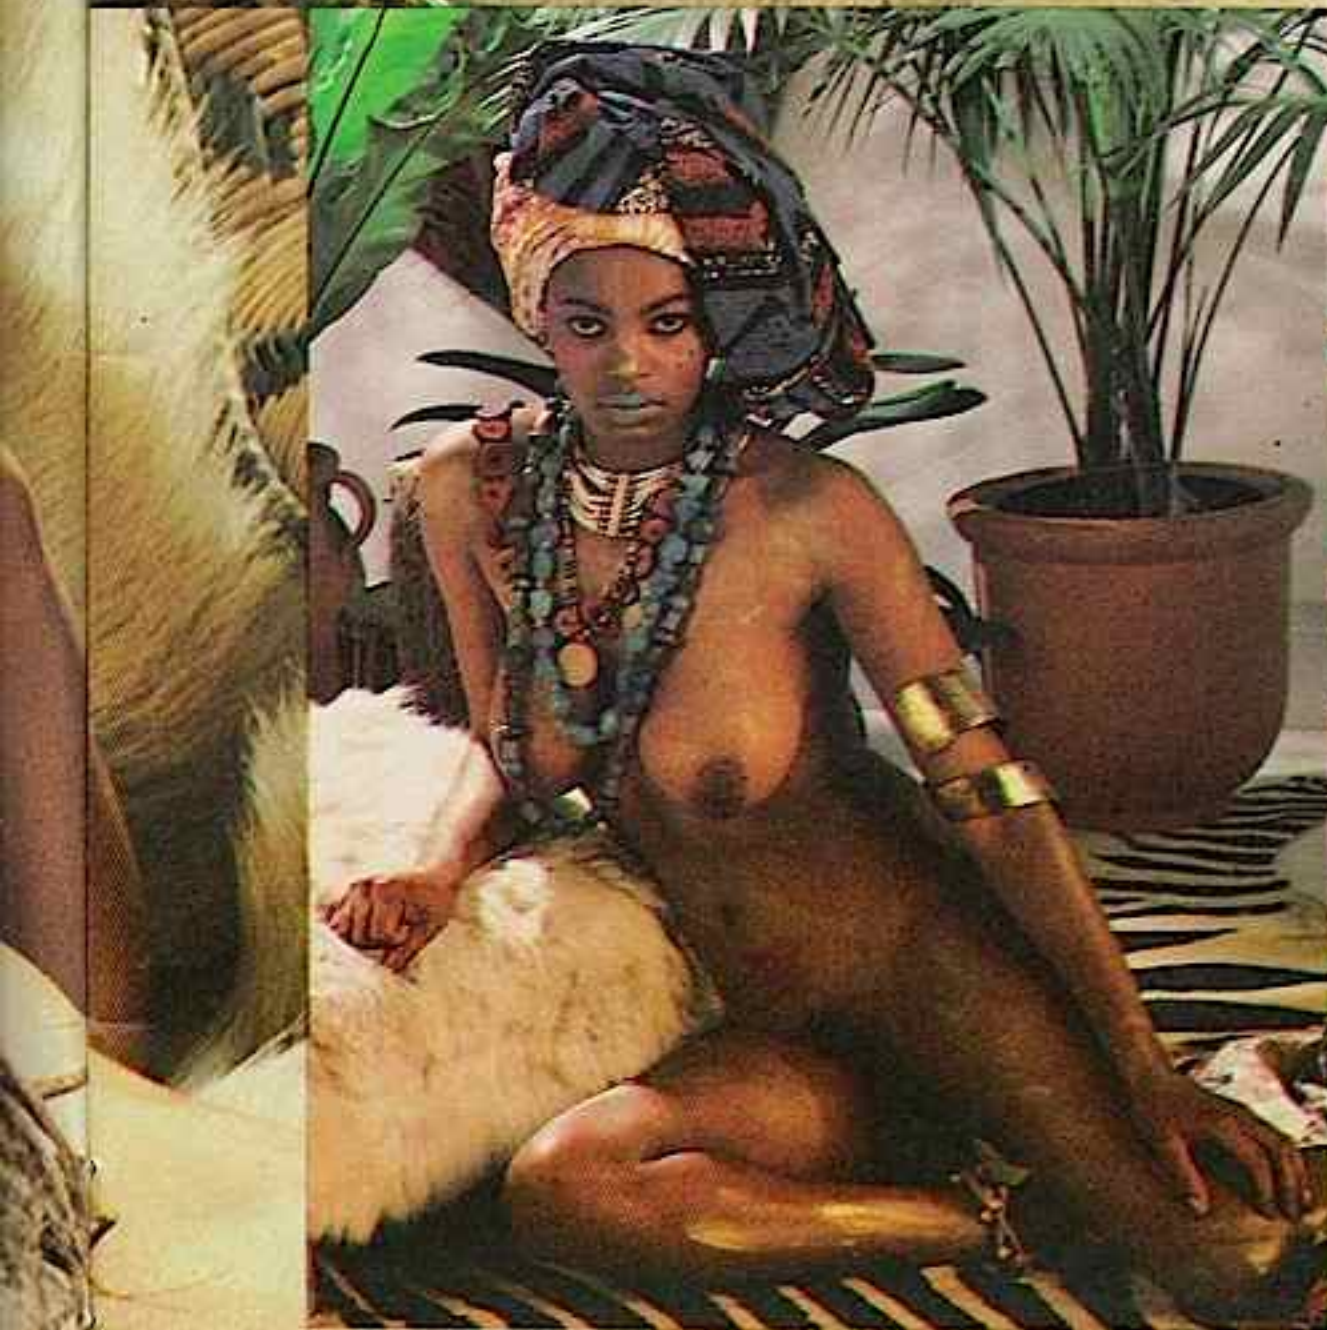

A special safari set, shot entirely on location in our studios in beautiful downtown Kilburn. And when you consider the money we've saved on a return ticket to Nairobi, our Accountant should smile so wide his head will fall off.

The lady models under the name Jake (spelled Jake, pronounced Jacki) and is very gorgeous indeed. She's also 38-ish round the bust — what more could you ask? She was smashing, the Editor was smashed and the leopard was stuffed.

Andrea

If you're a girl, aged between 18 and 25, have a great face, figure and personality and have never had your photograph published as a professional model — this could be your chance to become a top model. Send in the form below with at least two nude photographs which must also show your face. If we like you we'll invite you to our studios for test

shots. If you pass this 'audition' we'll use you for a professional photo session and pay you £200 for the day's work — plus expenses. You'll then become one of our 'Contenders' and will be eligible for the Competition — provided no photographs of you are published anywhere else before your first appearance in Knave.

Send your entry form to Knave, 252 Belsize Road, London NW6 4BT.

She has one of *those* faces: rather knowing and not as young as she looks. 'Sinfully innocent' was the big E's expression — whatever that means. She's actually 21, 34-23-34, 5'2" and has done a bit of modelling for amateur photographers in the Birmingham area — though she originally comes from Wales.

She'd love to be a page three model, but has a bit of a complex about her bust size. "I'll have to do my exercises first," she sighs. And there was nothing we could do to persuade her that not all men liked girls with big tits. So if she won't take our word for it, what do you think . . . ?

Joanna

Here we have the lovely Joanna tinkling on a Steinway Baby Grand . . . Whoops, let's try again. Here is Joanna, this is a Steinway and she's dying for a pianissimo. Damn it, I give up.

Joanna is 37-23-36 and looks very slinky in that dress. The Steinway was in full working order, weighed a ton and cost a fucking fortune. The Accountant was not happy. (Next month: Exclusive pictures of the Accountant tinkling on the Editor!)

SANDY

PHOTOGRAPHED BY K.K. JONES

It's time to stock up the booze cabinet again for Christmas. Cheapo plonk for the relatives and perhaps a bottle of port for yourself? Why not!

Now strictly speaking we're not allowed to advertise so . . . remember that it's not necessarily 'any port in a storm' — and see your ITV station for details. Meanwhile . . . Sandy is 21 years old, 35-23-35, is half Spanish (the top half — tee hee!) and prefers Pimms any day. Oh, and she isn't really called Sandy either.
